

# Tele2 IoT Recognized in the 2025 Gartner® Magic Quadrant™ for Managed IoT Connectivity Services Worldwide Report

**Stockholm – Tele2 AB (“Tele2”) (Nasdaq Stockholm: TEL2 A and TEL2 B) Tele2 IoT is featured in Gartner Magic Quadrant for Managed IoT Connectivity Services Worldwide 2025.**

Tele2 IoT has been identified as one of the top 15 companies worldwide and one of the top 10 in Europe in this year’s Gartner Magic Quadrant for Managed IoT Connectivity Services Worldwide. This marks the fourth time Tele2 IoT has been positioned in the prestigious report, following three consecutive years of recognition from 2017 to 2019.

- *We are incredibly proud to be recognized once again in the Gartner Magic Quadrant. Since our last appearance, we have significantly matured as a business. We think that this recognition is particularly gratifying as it acknowledges our healthy growth, successful expansion, enhanced delivery capabilities, and our ability to serve diverse industries as a horizontal, technology-agnostic global connectivity provider. We are excited to build on this momentum and continue to bring innovation and value to our customers, says Stefan Trampus, EVP B2B at Tele2.*

Gartner Magic Quadrant evaluates companies based on their ability to execute and completeness of vision.

## About Tele2

Tele2 is a leading telco with the purpose to enable a society of unlimited possibilities. Through our networks and services — ranging from mobile and fixed connectivity, telephony and data network services to TV, streaming and global IoT solutions — we are deeply connected to every aspect of today’s digital lifestyle. By making our

infrastructure more powerful, reliable and sustainable, we enable society to become that as well. Tele2 was founded in 1993 and is listed on Nasdaq Stockholm. In 2024, Tele2 generated revenue of SEK 30 billion and reported an underlying EBITDAaL of SEK 11 billion.
